

Special Service Area #25 Now Accepting Little Village Community Special Events Proposals!

The Little Village Chamber of Commerce (LV Chamber) manages the Little Village Special Service Area #25 (SSA #25). SSA's often known as Business Improvement Districts in other cities, provide a fair and transparent way to finance and manage programs to create, maintain and manage clean, attractive and competitive commercial districts. The Chicago City Council created the Little Village SSA #25 December 17, 2003.

For the past several years, the SSA #25 has helped community organizations execute their special events in an effort to create traffic on our commercial district. If your organization is planning an event in 2018 that will help drive individuals to our ethnic Little Village business corridor, the SSA #25 can help you make it happen!

SSA #25 Special Events Proposals are due by Friday, 3/30/2018. Commissioner's will review proposal's at April's public meeting (Tuesday, 4/17/18). Feel free to attend and expand on your proposals on this day.

SSA #25 2018 Special Event Sponsorship budget is \$5,000.00, sponsorship disbursements will vary.

Kindly submit your proposal to Blanca R Soto at blanca@littlevillagechamber.org by Friday, March 30, 2018 before 5PM.
